GBC FOTON 30

The first fully automated desktop laminator that feeds, laminates and trims with the touch of a button. FOTON 30 revolutionises the way you laminate. Equipped with built-in auto feeder and trimmer, FOTON 30 delivers automatic lamination - freeing up your time for other activities.

Load and Go operation!

FOTON 30 starts automatically after warm-up. Load papers. Push button. Walk away.

Hands Free Lamination

Integrated 30 page sheet feeder with de-skew ensures documents are straight when entering the laminator. No more feeding pouches one at a time.

Easy Supply Loading

Easy to load, self-threading cartridge makes changing film simple.

GBC FOTON 30 RELOADABLE CARTRIDGES

Reloadable Cartridges are an easy to load self-threading cartridge that make changing film simple. Simply open the locking arms, place film and plastic transfer piece into carrier and close the locking arms to reload film.

Product Code	Description
4410023	Foton Reloadable Cartridge & Film 75Mic
4410025	Foton Reloadable Cartridge & Film 125Mic
4410026	Foton Cartridge Film Refill 75Mic
4410028	Foton Cartrige Film Refill 125Mic

GBC FOTON 30

The world's first fully automatic desktop laminator with auto-cartridge.

Code: FOTON30230AU

Flawless, effortless lamination

The desktop-dwelling powerhouse automates up to 30 sheets at once and delivers up to 230 sheets per cartridge. Hitting "Run" automatically straightens all pages, detects film thickness, controls spacing, laminates the sheets and trims them with perfect precision.
